- 2 Kofi has saved his pocket money and wants to buy a new football shirt. Circle and number the eight errors in the conversation, then write the corrections at the end.

Kofi: There's the City shirt and the National kit. I don't know which one to buy!  
Dad: Well, which one will you wear the oftenest, do you think? 1  
Kofi: The City shirt, because we go to City games all the time ... but I like the National shirt more better!  
Dad: OK, but I think that shirt costs much than the other one. Have you checked?  
Kofi: Oh yes, it's more expensive. I think I've got enough pocket money ...  
Dad: OK then, try them both on. Let's see which one fits the better.  
[Kofi tries on the two shirts].  
Kofi: The National shirt definitely fits the best but it costs the more!  
I don't know what to do!  
Dad: Mmm ... and the City shirt is a bit too big – it fits more looser, but that is a good thing because you are growing more faster this year than ever before!  
Kofi: So the City shirt will last the most longest?
